# **City of Cape May Green Festival** **“WHAT MAKES YOU GREEN?”**

## **Cape May City Green Festival**

April 13, 2013, 10 a.m. to 4 p.m.  
Cape May Convention Hall  
714 Beach Avenue, Cape May City, NJ 08204

CAPE MAY, NJ - The Cape May City Green Team is hosting a Green Festival on Saturday, April 13, 2013. The Festival takes place rain or shine at the new Cape May Convention Hall located on the beach in picturesque Cape May. The theme of the festival is “Cape May — Home of the World Series of Birding” to stress the importance of ecotourism — and in particular, birding — on the region’s economy.

The Green Festival will start at 10 a.m. and continue until 4 p.m. Displays will be provided by the many environmentally conscience groups that have made Cape May such an ecotourism haven. Events are planned throughout the day, including the Turtle Singer, who will entertain children in the morning; an eco-friendly fashion show; live music; and games for the kids.

If you are a resident or business owner in Cape May City and you have made your home or business a greener place, you may be a candidate for the Green Honor Roll. Please send a brief

email with details of how you've stepped up to the sustainability challenge to **green@capemaycity.com**. Recipients will be honored during the Green Festival.

Cape May City is a statewide leader in sustainability, having won the Champion Award from Sustainable Jersey in 2011 and 2012. The City has also achieved the highly regarded Silver Certification from Sustainable Jersey in each of the past two years. Mayor Ed Mahaney noted, "Cape May is a natural when it comes to being a green community. This event is an opportunity to celebrate our accomplishments and learn about what you can do to make your world a greener place."

For more information about the Cape May City Green Festival and the Cape May City in general visit the Cape May City web site at <http://www.capemaycity.org>.
