

COMMUNITY SOLAR

CLEAN AFFORDABLE ENERGY FOR ALL

Lower Energy Costs

25% off the portion of solar credited to your utility bill

Access for All

Renters or homeowners can access solar without installing panels

45,000+

Our projects prevent 45,000+ metric tons of CO2 emissions a year

Go green for guaranteed savings!

Community solar is a state program that allows NJ communities to enroll in the benefits of clean, solar energy without installing panels. Community solar delivers energy from solar panels located on nearby commercial properties to the electric company. You enroll online and save money while lowering your carbon footprint!

FREQUENTLY ASKED QUESTIONS

HOW DO I SAVE MONEY?

You will receive a **25%** discount on the solar energy credited to your electric bill. The discounts start as soon as the community solar project is energized.

ARE THERE ANY FEES OR CHANGES TO THE PROPERTY?

There are no fees to sign up or cancel and no changes to the property.

WHO IS ARCADIA?

Solar Landscape partnered with Arcadia to provide a seamless billing experience for subscribers. Arcadia coordinates secure payment of the electric bill minus the discount and provides the subscriber with a summarized bill.

HOW DO I SIGN UP?

1. Go to solarlandscape.com and fill in **zip code** and **invite code: CAPEMAYCITY**
2. Enter your zip code and fill in the information to create your Arcadia account. Use Invite Code: **CAPEMAYCITY**
3. Link your account by using your electric utility username and password. *NOTE: If you don't already have a utility login set up, you can create one online.*
4. Enter the form of payment that will be used for your utility autopay. *NOTE: If you currently pay your utility bill through automatic payments this will have to be turned off first.*
5. Verify information and income status.

WHAT HAPPENS WHEN I SIGN UP?

Save your spot on a local Community Solar Project

Arcadia coordinates all utility bills through autopay

Utility bills will now be sent by email and from Arcadia

Community solar savings when the project turns on

HOW DOES IT WORK?

1. Solar panels are **installed on warehouse rooftops** throughout New Jersey.
2. These panels **send electricity** to the local electricity provider.
3. Once enrolled with Solar Landscape, members receive a **25% discount** on the solar **credits** allocated to their **utility bill**.
